

Shuckapedia

Taylor Lobster Company

Oyster Name: Centennial Selects

Origin: Cape Cod, Massachusetts

Size: 3 ½"

Appearance: Classic heavy yin shape

Flavor Profile: A historic flavor developed through the years. Starting with a smooth brine and creamy smooth meat. Tones of grapefruit and seaweed in the finish.

Comments: Oysters are grown in aquatrays on the tidal flats located off Crow's Pasture on Cape Cod. This creates a crisp salty taste and delicate texture.
