Taylor Lobster Company

Oyster Name: Bay Point Oysters

Farmer name: Tim Henry

Origin: Great Bay, New Hampshire

Size: 3 + inches

Appearance: Well defined deep cupped shell

Flavor Profile: Full flavored briney oyster with a clean mild mineral finish.

Comments: Bay Point Oysters are bottom cultured in cages in the deeper waters of Great Bay where tidal currents provide a constant food source for optimal growth. A new comer to the market this is an oyster you will want to try.
