

Oyster Name: Choice

Origin: Great Bay, NH

Size: 3+ inches

Appearance: A hearty, well arched shell

Flavor Profile: Very mild brine start. A smooth buttery mid tone, with a pleasant melony afterglow.

Comments: Raised sub-tidally along the shores of the Great Bay Estuary in New Hampshire. They are cultivated in the chilled waters along the northeastern US coastline for 3-4 years before reaching market size. Oysters are then hand selected.
