

**Oyster Name:** Fox Point Oysters

**Origin:** Little Bay, NH

**Size:** 3-3.5"

**Appearance:** A khaki-white, droplet shell with a hearty cup.

**Flavor Profile:** A subtle brine, a hint of fruit and a clean finish!

**Comments:** Little Bay's mix of cold, tidal waters from the Atlantic and freshwater from five rivers creates ideal conditions for growing oysters. Fox Point Oysters' are continually monitored and cleaned throughout their 2-3 season growing cycle until they are hand selected at the perfect size.
