

# Shuckapedia

Taylor Lobster Company

**Oyster Name:** Virgin Oyster

**Farmer name:** Brian Gennaco

**Origin:** Little Bay, Fox Point, NH

**Size:** 3+ inches (petites 2.5-3 inches)

**Appearance:** Virgin Oysters have cold water hardened deeply cupped shells, brilliant white with slight purple streaking, pointed at hinge with well defined growth rings.

**Flavor Profile:** Icy refreshing North Atlantic brine, smooth mellow flavor with a satisfying sweet finish.

**Comments:** Our oysters are a product of cold northern waters, aged three to four years before being hand selected for your enjoyment.
