

Shuckapedia

Taylor Lobster Company

Oyster Name: Snow Island Oysters

Farmer name: Quahog Bay Conservancy

Origin: Quahog Bay, Maine

Size: 3-3 1/2 inch

Appearance: Beautiful shell, tear drop shape that begs to be eaten, and easy to open.

Flavor Profile: Clean, mild but sweet Maine coast brine.

Comments: Snow Island Oysters are grown in floating cages in the shadows of Snow Island in Quahog Bay. Each oyster is cleaned and sorted by hand to ensure quality. Revenue from the sale of Snow Island Oysters help fund Quahog Bay Conservancy which is a non-profit working to protect and preserve Quahog Bay.
